Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Wednesday 23 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and dry with sunny spells today. Feeling warmer.

Today:
After a cool start, it will be a mostly fine and dry day, with good spells of sunshine. Feeling warmer compared to previous days, with light winds. Maximum temperature 23 deg C (73 deg F).

Tonight:
A fine end to the day, with some evening sunshine. Dry with clear skies overnight and light winds. It will be another cool night, especially in rural areas. Minimum temperature 8 deg C (46 deg F).

Thursday:
A cool start, although it should be dry and bright for many. Cloud will increase from the northwest during the afternoon, with the chance of some heavy showers. Feeling warm. Maximum temperature 23 deg C (73 deg F).

Outlook for Friday to Sunday:
Unsettled, with rain or showers moving southeast on Friday. Further showers or longer spells of rain on Saturday and Sunday, these heavy and possibly thundery at times. Feeling warmer.
